

PRIDE IN OUR UNION

EMPIRE STATE  PRIDE AGENDA

The Empire State Pride Agenda thanks **SEIU Local 32BJ** for fighting for full-time jobs with decent wages, health care benefits and protections from discrimination for lesbian, gay, bisexual and transgender (LGBT) workers by:

- Protecting employees on the basis of sexual orientation
- Incorporating the NYC human rights law protecting gender identity and expression into its local contract
- Offering domestic partner health benefits in its local contract

Furthermore:

- 32BJ has included openly LGBT union members and staff in its Social and Economic Justice initiatives and put a full-time organizer into the campaign for marriage equality and GENDA in May and June last year.
- The union leadership officially supports marriage equality legislation, the Gender Expression Non-Discrimination Act (GENDA) and the Dignity for All Students Act (Dignity).

On April 20, 32BJ's New York City contract expires for the 30,000 workers who keep more than 3,200 residential buildings safe, clean and running smoothly.

So if you live in a medium or large apartment building in NYC, remember this month to thank your building's superintendent, porters and doormen for everything they do and express your solidarity with their fight to win a strong new contract!
