Dear Mr. Kirdahy:

I am writing in reference to the appeal you forwarded to the Board of Trustees of the Local 295/Local 851 Welfare Fund on behalf of Dolores D.

This appeal was reviewed by the Trustees along with all pertinent information related to it. Please be advised that the Trustees have granted your appeal and have approved the request to provide coverage for Ms. D.'s spouse Marie S.

Ms. S. will be listed on Ms. D.'s benefits and all the necessary identification cards will be ordered. Her coverage is effective as of June 1, 2005.

In order to determine if there are any tax consequences related to this benefit, we need to know if Ms. S. is a dependent of Ms. D. Please advise me of this at your earliest convenience so we can make the necessary arrangements.

Very truly yours,

Savasta and Company, Inc.
